

APPLICATION FOR WAIVER/PARTIAL WAIVER FORM

Cost Reimbursement and Contributions

Stanmore Public School provides a number of activities and programs to enrich the education of our students that are in addition to the basic provision covered by government funding. These activities and programs are open to all students and we encourage all students to participate. The school asks families to reimburse the school for these costs.

The school understands that there are times when family circumstances may make meeting these costs difficult and the school can assist when this is the case. Families can request staggered payments or waivers/partial waivers simply by completing the Section A below and returning it to the school in a sealed envelope marked "The Principal – Private and Confidential". Alternatively, you may come and have a private meeting with Connie Tropiano, our Admin Manager.

Staggered payments

While families may pay costs in one lump, some families may prefer to make small frequent payments until the full amount is paid. This is possible under the new finance system in our school.

Waivers

Families may request a waiver/partial waiver from costs depending on family circumstances. The waiver can be for periods up to one year.
